

Dear Representative

Please cosponsor and vote for Representative Robert Andrew's 3-state strategy Equal Rights Amendment (ERA) resolution, H.Res.38 and vote for Representative Carolyn Maloney's "start-over" ERA resolution, H.J.RES.37. Equal Rights under the law for women and men is long over due. There should never have been a time limit put on this Constitutional Amendment by Congress. There is no time limit for justice.

Both of these bills are very important to me. I will determine what candidates to vote for based on their support for each of these bills.

Thank you for your support of equal rights and for joining as a cosponsor of H.J.Res.37. Please also join as a co-sponsor of resolution, H.Res.38, since both bills are important and either one can help obtain equal rights. The National Council of Women's Organizations considers H.Res.38 important. When will you be able to become a cosponsor? I look forward to your response.

Yours truly,
