

Dear Senator

Please cosponsor and vote for Senator Edward Kennedy's "start over" Equal Rights Amendment (ERA) resolution, S.J.Res.11. Equal Rights under the law for women and men is long over due. There should never have been a time limit put on this Constitutional Amendment by Congress. There is no time limit for simple justice.

This bill is very important to me. I will determine what candidates I want to vote for this year based on their support for this legislation.

Thank you for your consideration. I look forward to your response.

Yours truly,
