

2019

THE HONORABLE BOB CASEY
UNITED STATES SENATE
WASHINGTON, DC 20510

Dear Senator Casey,

I urge you to endorse and vote for the Equal Rights Amendment (ERA) that is Senate Joint Resolution 6 (S.J. Res. 6) with lead sponsor Senator Benjamin Cardin (D-MD) and Lisa Murkowski (R-Alaska). The ERA Resolution is proposing an amendment to the U. S. Constitution relative to equal rights for women and men. This Resolution removes the arbitrary deadline that prevents the ERA from becoming part of the Constitution. When the ERA passes Congress with only a simple majority vote of 51 percent the amendment will be signed into law and sent to the states which have not ratified. Then only one more state will be required to fully ratify the ERA, so it will become part of the Constitution.

It is long overdue to have an ERA in the Constitution to prevent the loss of our rights and to guarantee women and men equal status under the law which more than 88 % of Americans support. Join with us and the majority of the people in our country for justice and equality for all which is the American ideal.

I will strongly support and vote for legislators in favor of these rights. Thank you for your support. I look forward to your response.

Sincerely,
